February 23, 2017

Dear Miles,

On behalf of United Jewish Appeal's Walk with Israel, we would like to express our gratitude for your visionary, compassionate and generous support of this, UJA's signature community event.

Through your sponsorship of the Walk's Renee & Irwin Nadal Festival, one of the highlights of the Walk year after year, not only do you honour the memory of your beloved parents, but you provide up to 20,000 men, women and children with the perfect setting in which they can reflect on and celebrate their efforts on behalf of the people of Israel.

The impact of the Renee & Irwin Nadal Festival; the culmination of the Walk, has been profound since its inception in 2011, with generations benefitting from your generosity. And nowhere has that impact been felt more than in Israel, where your donations continue to benefit Israeli children through a variety of educational and social programs.

This year's Walk will represent the seventh consecutive year you have so generously demonstrated your commitment to not only philanthropy, but to your deep and compelling sense of empathy.

On behalf of the approximately 20,000 Jewish Torontonians who will take to the streets of Toronto for this year's UJA Walk with Israel before recharging themselves at the wonderful Renee & Irwin Nadal Festival, we thank you.

Sincerely,

A handwritten signature in black ink, appearing to read 'Bruce Leboff'.
